Re: *Structure and Practices of the Video Relay Service Program*,
CG Docket No. 10-51

Dear Ms. Dortch:

On behalf of Sorenson Communications, Inc. ("Sorenson"), on June 13, 2011, I met with Paul de Sa, Chief, Office of Strategic Planning and Policy Analysis, and Nicholas Alexander, of the Wireless Competition Bureau. We discussed the proposed certification process for VRS providers. My comments reflected the arguments presented on pages three through five of Sorenson's comments filed on June 1, 2011 in Docket No. CGB 10-51.¹ The certification process as proposed in the Commission's FNPRM (FCC 11-54) is overly broad in its information requests and unworkable.²

A copy of this letter is being filed in the above-referenced dockets.

Sincerely,

John T. Nakahata
Counsel to Sorenson Communications, Inc.

cc: Paul de Sa
Nicholas Alexander
